

**WELLS COUNTY  
COUNCIL ON AGING**

## *Senior Citizens Expo*

**Thursday, May 7, 2026**

**9 am – 2 pm**

**Wells County 4-H Community Building  
1240 4-H Road, Bluffton, IN**

**The 2025 Wells County Senior Expo was a tremendous success - we had 600 attendees from 22 cities and 10 counties in our area!  
Preparation is underway for the 2026 Expo**

By being a participant, you will be able to rent space for your business display. Exhibitor space is affordable and places the exhibitor before hundreds of potential clients. Not-for-profits also use this venue for effectively educating the public of their mission and recruiting community support. This is a wonderful opportunity to share information and/or a sample of your product with senior citizens of Wells County and the surrounding area.

The show floor is professionally designed. The booth spaces will measure 6' x 10' and include a back-wall drape, a side rail drape, two folding chairs, one 6' topped/skirted table and a 7" x 44" exhibitor identification sign. The color scheme will be blue and white. Electricity will be accessible by extension cord (bring your own). There will be a limited number of booths with access to electricity - **PLEASE LET US KNOW IF YOU WILL NEED ELECTRICITY**. We will have a microphone available and can announce your business name and winners throughout the day if you choose to do a drawing for a giveaway.

**If you are interested in being a corporate sponsor and being headlined in all advertising, please contact me to discuss this further.**

Information regarding the Expo will be submitted to local television stations; The Bluffton News-Banner and surrounding area newspapers, Senior Living Newspaper, flyers in Wells County businesses, in our public transportation vehicles that travel throughout Allen, Huntington, Adams, Grant, and Wells Counties; and very visible signs throughout the area on the day of the Expo encouraging people to attend.

Your business participation will make the Expo a magnificent event!
